*Beloved in Christ, the grace of our Lord be with you and yours today and always.*

For the past days I have had the opportunity to meet new visitors in our church, The Free Church of St. John, we are grateful and blessed to have decided to gather with us. I hope that his visit has been enriching spiritually, received a warmly welcomed in Christ love.

As a church, we are committed to the Person of Jesus Christ, and we base our teachings on the revealed Word of God, the Bible. We hope that visitors and/or parishioners put your trust in Christ to forgive them, guide them, restore them and grow in their relationship with Him. We seek to provide education and regular preaching based on the Bible, times of significant worship, opportunities for fellowship, prayer, scope and many more ministries for people of all ages and cultures.

We appreciate your fidelity to Christ, their commitment, fatigue and dedication to our church.

We thank the Lord because they continue with their hands on the plow, despite the hard times and the limitations of the times in which we live.

We are driven by each of you to repeat the words of the Lord and the Lord's action as an example of integration and restoration of mankind to the Ecclesial Community. We recognize and admire the faithful and generous dedication of our parishioners. We are especially close to those experiencing moments of tribulation, or live their ministry in particular situations demand: urban and rural peripheries, loneliness, illness, routine wear and pastoral action, misunderstanding and discouragement. We want to feel our closeness and trust us, knowing our hearts with fraternal spirit and solidarity.

*Your servant in Christ,*
