Blessings to all,

This year, The Free Church of Saint John is going to be hosting our first annual Kensington Community Festival, and we would like to invite you to partner with us in investing in our community and local youth.

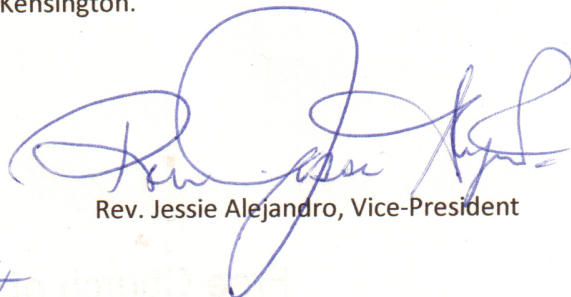

The Free Church of Saint John has been in existence for over 153 years in the Kensington section of Philadelphia striving to provide a safe haven for those in need in our community. This August, our goal is to expand our efforts by hosting a community day where local churches, businesses and non-profit organizations can invest in Kensington, and most importantly, the local youth, via informational programs, booths and fun activities. We are sending this letter to as many groups as we can, with the hope that others share our goal and desire to give back to the community, and empower the next generation.

If you would like to be involved with the Festival, please contact Rev. Jessie Alejandro, 856-580-7174 for more information. If you would like to make a financial contribution, please make checks payable to The Free Church of Saint John, with the Memo: KCF.

Our congregation is small, but by partnering together as a community, we can reach those in need to be a positive change in Kensington.

Thank you for your support,

Lourdes Cartagena, President
